

## **About JZCP**

Commoner Cummon

JZCP is a London listed private equity fund which invests in high quality US and European micro cap companies. It receives investment advice from Jordan/Zalaznick Advisers, Inc. ("JZAI"), which works with the existing management of micro cap companies to help build better businesses, create value and deliver strong returns to investors.

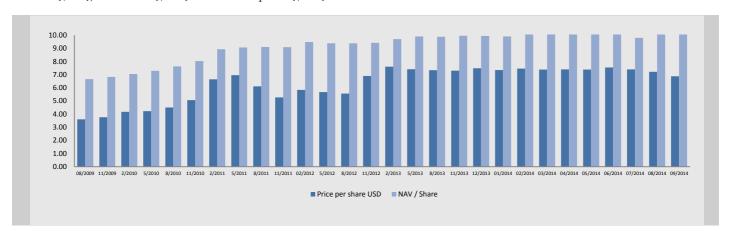

# Investment Objective

JZCP seeks to create a portfolio of investments in businesses in the United States and Europe, providing a superior overall return comprised of a current yield and significant capital appreciation.

### **Recent Events**

- In October 2014, JZCP invested \$9.2 million in Paragon Water Systems, a platform investment in JZCP's water vertical filtration strategy. Paragon designs
  and manufacture portable water filtration systems for use in homes and commercial locations.
- In October 2014, JZCP along with its co-investment partner Edgewater Funds, invested \$1.6 million each to acquire Action Products Marketing Corporation and Conshield Technologies, a water infrastructure company that manufactures products for manhole and pipe rehabilitation. The acquisition is the third for the water infrastructure sub-vertical and the sixth for the water business overall.
- In October 2014, JZCP and Edgewater Funds also invested \$1.31 million each to acquire PPM Information Solutions, Inc., an anaesthesia billing software and service company. This represents the third company in our healthcare vertical.

The NAV remained flat at \$10.04 per share from September to October. For the month of October 2014, income from investments of \$0.05 was offset by FX movement (\$0.01), finance costs (\$0.02) and fees and expenses (\$0.02).
