

## **About JZCP**

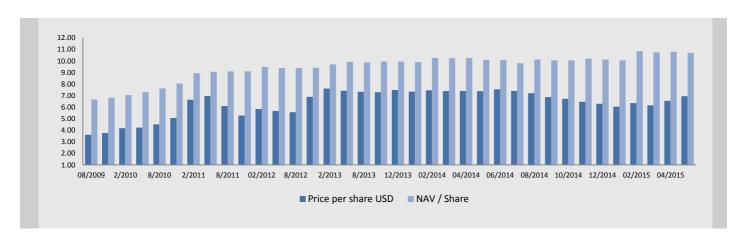

JZCP is a London listed private equity fund which invests in high quality US and European micro cap companies. It receives investment advice from Jordan/Zalaznick Advisers, Inc. ("JZAI"), which works with the existing management of micro cap companies to help build better businesses, create value and deliver strong returns to investors.

## **Investment Objective**

JZCP seeks to create a portfolio of investments in businesses in the United States and Europe, providing a superior overall return comprised of a current yield and significant capital appreciation.

#### **Recent Events**

- In May 2015, JZCP declared a semi-annual dividend of US\$10.5 million, or US\$0.175 per share. This was paid on 12 June 2015.
- In June 2015, JZCP closed a \$100 million bank facility with Guggenheim; the proceeds were used to repay a short term \$50 million loan with Jefferies, with the remaining to be used in part to redeem the ZDP's due in June 2016.

#### Disclaimer

This Monthly Fact Sheet updates as of 31 May 2015 various information as to JZCP and its investment portfolio available from third parties as well as the valuations shown for unquoted Micro-Cap and Mezzanine investments. Before making investment decisions, investors should consider that the value of JZCP's investments, and the income from them, may go down as well as up and is not guaranteed; that the market price for JZCP shares, depending on supply and demand, may trade at a discount to NAV; and that past performance cannot be relied upon as a guide to future performance. Investors should also consult with their own independent financial and tax advisers when making investment decisions. Although issued and approved by JZCP, this Monthly Fact Sheet does not constitute a solicitation or advice to buy or sell any security.
